VITA SONASCA

INSERTO SPECIALE

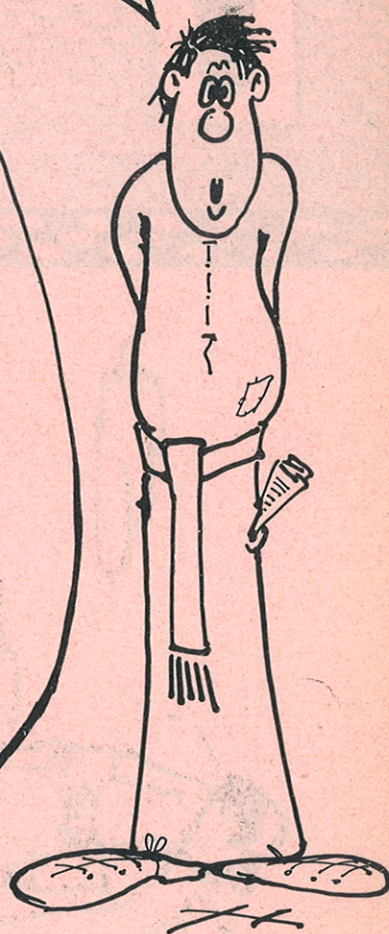

Tra un libro di morale e un trattato di dogmatica sono nate queste intuizioni umoristiche pseudo-teologiche che il nostro "Gigi" ha tradotte graficamente.

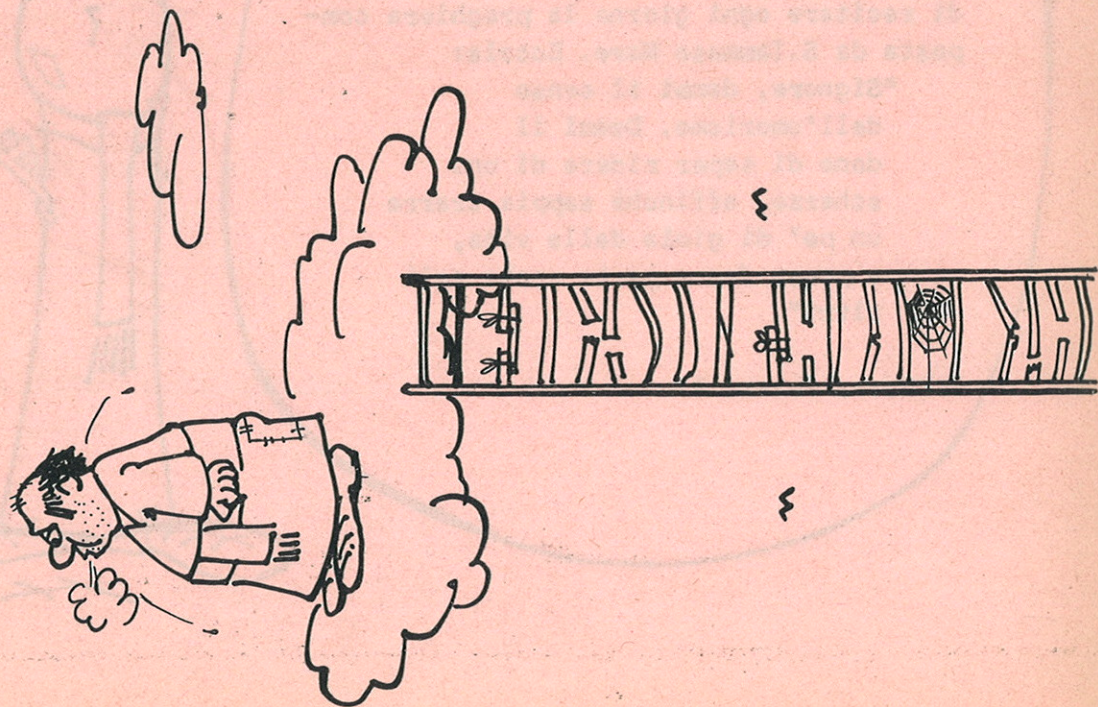

Crediamo opportuno presentarle come modesto dono ad ogni nostro Confratello perchè possa in questo periodo estivo distendersi, rilassarsi, ritemperarsi lo spirito.

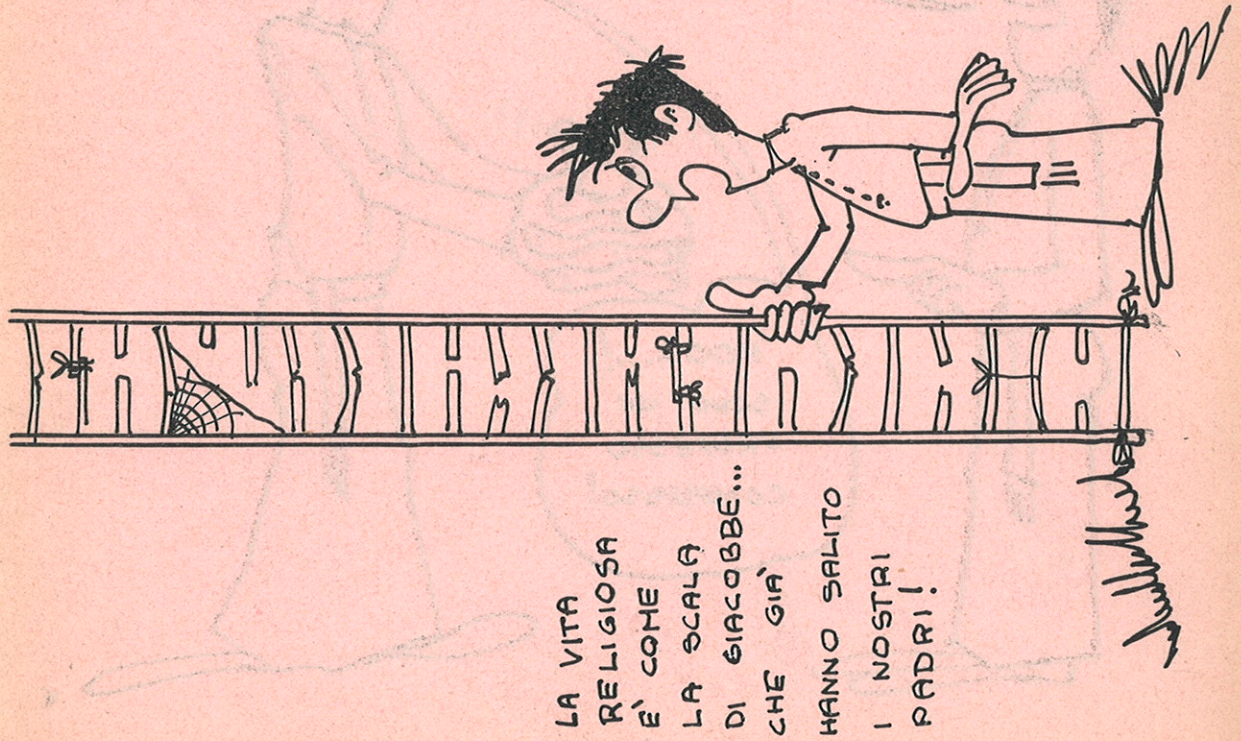

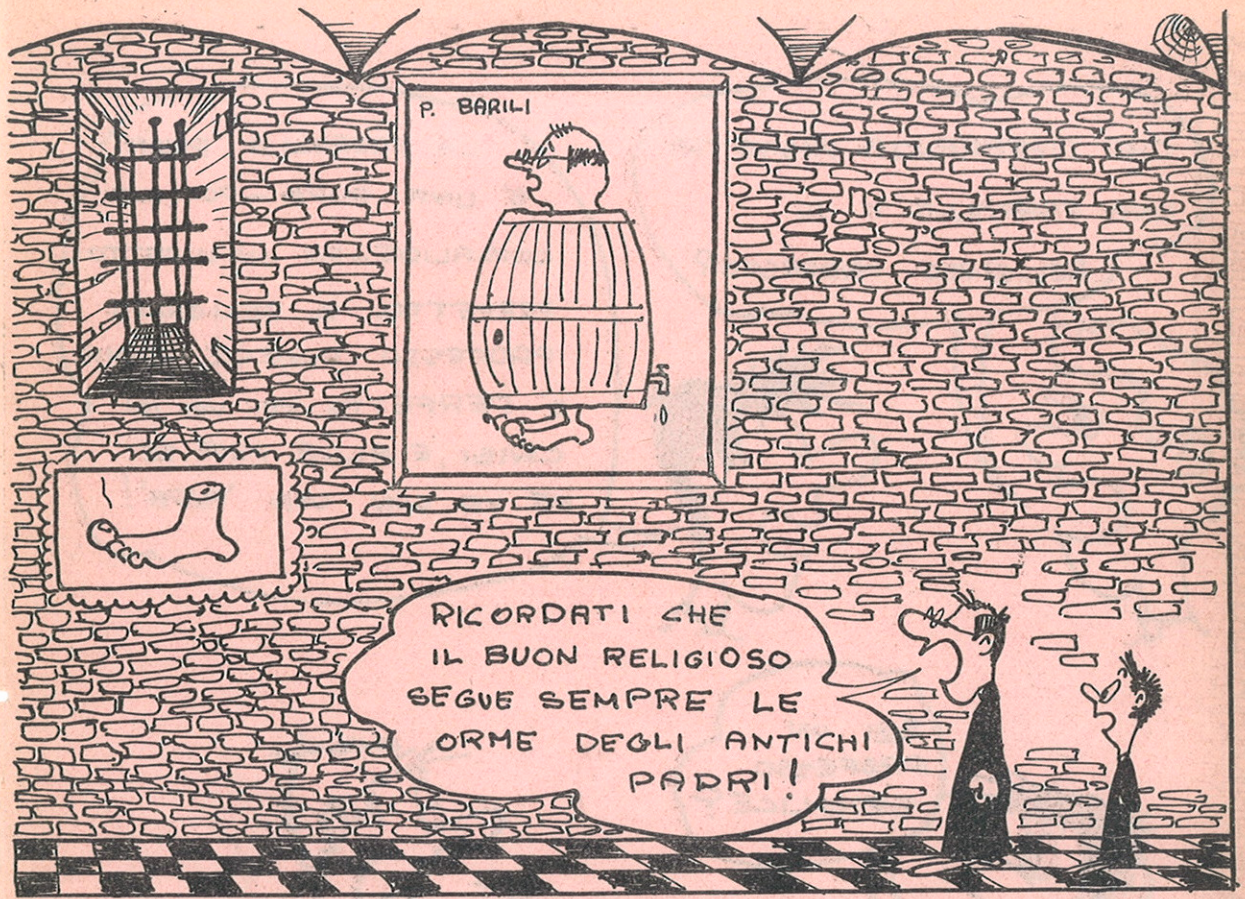

Chiediamo però a ciascuno l'impegno di recitare ogni giorno la preghiera composta da S. Tommaso Moro. Eccola:

"Signore, dammi il senso dell'umorismo. Dammi il dono di saper ridere di uno scherzo, affinchè sappia trarre un po' di gioia dalla vita, e possa farne parte anche agli altri".

Buona estate !

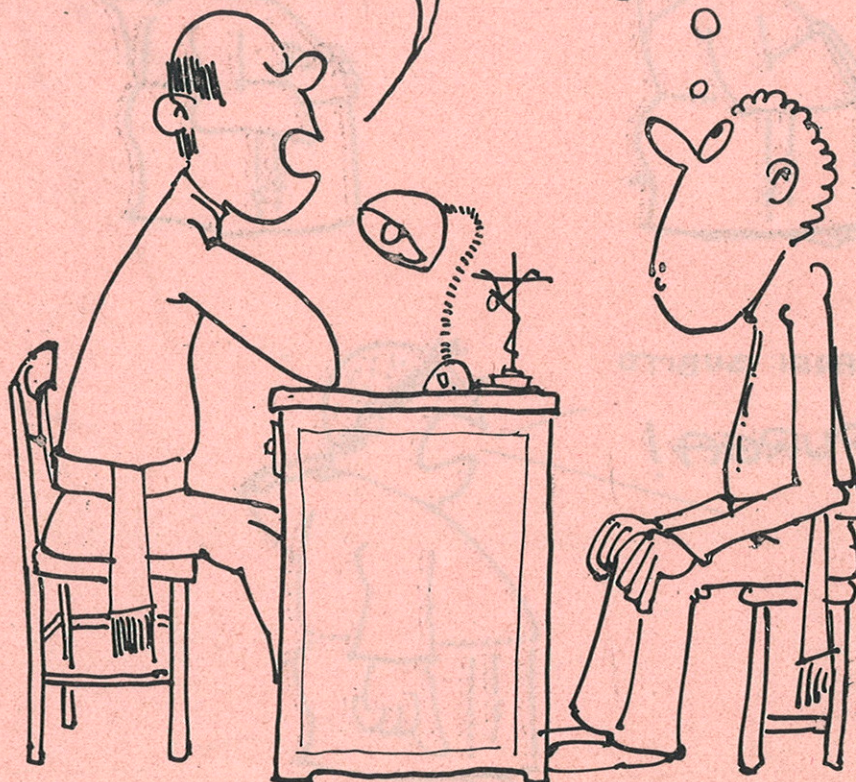

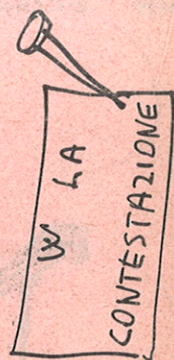

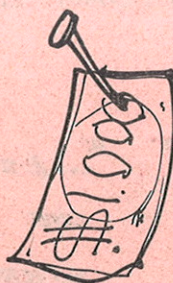

CHE DIFFERENZA PASSA TRA
UNA FARFALLA E UN
RELIGIOSO PROFESSO?

LA FARFALLA PRIMA
E' UNA PUPA - POI UNA

PROFESSO INVECE, PRIMA
E' PERFETTO, POI VA IN
